Mary Grace Hunter and Ana Grace Ashe in the Football Homecoming parade.

Mary Grace Hunter

Ana Grace Ashe

With football season in full swing, the senior football cheerleaders spend their Friday nights cheering on their favorite football team.

Ana Grace Ashe began cheering in the third grade. As a four-year letterman, Ashe is squad captain this year. She says she "enjoys running out with the football team before each game. Racing to my spot and getting to dance to Rocky Top is one of my fondest memories."

Ashe will always cherish the UCA senior bracelet she received on the last night of camp.

"It was a sweet moment because I had my whole team around me to share the moment with." Ashe wears the bracelet around

her tennis shoe when she cheers to remind her of that special time.

Though she would enjoy cheering in college, Ashe plans to attend a large state school and hopes to enjoy just watching the games for a change. With a career goal of becoming an accountant, Ashe plans to major in Accounting and Mass Communications. She is the daughter of Scotty and Heather Ashe.

Mary Grace Hunter began her cheer career in elementary school. She is a four-year letterman on the MCHS cheer squad.

Hunter loves getting the crowd involved in the game and encouraging the players.

"My favorite memories

are all the kickoffs! There is nothing more exciting than the start of the game and the thrill of our team winning!" said Hunter.

She does not plan to continue cheering in college, but

will attend Mississippi State to work toward a career in the medical field. Hunter is the daughter of Steve and Bridgette Hunter.
