Soccer Girls End Season

Girl's Soccer recently ended their season with the 13-2 record, their best season to date.

Senior Emma Gray, who plays Center Forward, says "scor-

ing gives you a rush, and it is the best feeling." Gray especially enjoyed scoring her first hat trick during the Wayne County game. As a reward, she got

to wear Coach Lott's famous straw hat. After graduation, Gray plans to become a Nurse Anesthetist. Hannah Hughes played Goalie, and

loved the intensity of the position. She remembers the great feeling of the crowd cheering her first really great save as her favorite moment. Carissa Morris enjoys

the atmosphere and competition of the sport, and playing it with friends. She plans to major in Criminal Justice after graduation. The remaining seniors are Gabby Forsythe, Emma Stone, Mackenzie Parson, Abby Gray, Emily Phillips-Harmon, and Kailie Lott.
