The Class of 2018 won the championship last year, and are aiming to take it home again.

The annual PowderPuff games will be held Thursday, November 2. The senior team (then juniors) carried the championship last year, defeating a strong sophomore team (then freshmen) by a narrow margin. Quarterbacks for the teams were Katie Turner and Tori York, respectively. Turner and York met on the football field earlier this season when Turner was crowned Homecoming Queen and York was crowned Football Sweetheart. Both girls are sidelined with injuries, so the quarterback posi-

tions for both teams was up for grabs. The seniors will be lead by Emma Gray, a 4-year letterman in both soccer and basketball. Head Coach Mason Harrison says "we have some athletic girls, we just have to stop the sophomores. We understand they're going to run a triple option, which may be hard to stop. We're going to work with our girls on defense." Junior Coach Stone Teague says they have two quarterbacks, Anna Kate Crenshaw and Amanda Cutler. "We will more like-

ly start the game with Anna Kate; Amanda is more of a running quarterback." He says the seniors can "think all they want, but the scoreboard will say it all at the end of the game." Leading the sophomore team is Cole Kirk. Coach Kirk has definite plans for his team to overtake the seniors this time around. "Megan Hodum will be our quarterback. I want her to run the ball a lot, and she's one of the fastest ones out there." Kirk says defeating the seniors will be hard, but he does have some tricks up his sleeve.

"You can't like to lose, so I mean, we gotta win. I hate losing!" said Kirk. Coaching the freshmen is Brandarious Strayhorn. "Jilli Johnson will be our quarterback. She can throw better, she can do everything," said Strayhorn. He is motivating his young team by telling them to work hard. Opening kickoff will be at 6:00 Thursday with the freshmen facing the juniors, followed by the sophomores facing the seniors. The two losing teams will then play, followed by the two winning teams for the championship. There
