Mr. & Miss MCHS

Mr. and Miss MCHS for the Class of 2018 is Cole Miller and Katie Turner.

Cole and Katie have shared many special moments during their senior year. Earlier this year, Cole had the honor of crowning Katie as Football Homecoming Queen. It's only appropriate, as the two have been an official couple since their sophomore year.

"We met in Mr. Murphey's freshman algebra

class, and we got together sophomore year," said Katie.

Quick to jump in, Cole said "It will be two years on November 28,"

Both students were humbled by the votes from their classmates.

"I feel honored, it's an honor," said Cole "Only two people out of the senior class get to do this, so it's an honor to be able to carry on the tradition."

"I was very excited to win it, but it made it even

better to win it with Cole," said Katie.

"My most favorite memory is probably getting to meet Katie, because she started out as really just a good friend, and then it started clicking as more than that, and now we're here." said Cole.

Katie chimed in. "Mine was probably getting to meet Cole, too. He's been my best friend for a long time, and he still is. My other memory is probably going to state with the softball team."

Katie recently signed to play softball with Lipscomb University (in Nashville). Cole says he "would like to go to the University of Cumberland in Kentucky. They are a really good school, good talented team. They have a Criminal Justice program and that's what I'd like to get into." He hasn't made a decision yet, however.

As for how their relationship will work after high school, the two have already given it serious thought.

Katie says "We will definitely make time for each other, going to each other's games."

For incoming freshmen, Katie says "Don't blink! It goes by very fast. Freshman year takes FOREVER. Then after that, it flies by."

Cole added, "Enjoy the time you have here. It will be over before you know it."
