•Thanksgiving Break

**TUESDAY, Nov. 23**

•Thanksgiving Break

•6:00 BB Crockett Co H

## National Technical Honor Society

Career-Technical teachers have announced their nominations for induction into the National Technical Honor Society for the Class of 2022. Students are chosen

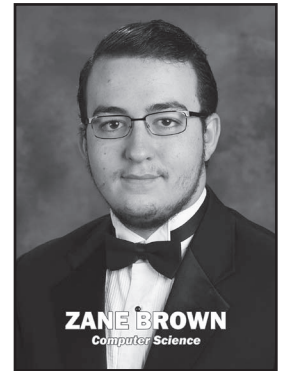

because they are a concentrator in a career-technical field, having taken at least 3 courses and maintained a B average or better in that field. Students cannot apply for

membership, they can only earn membership by teacher recommendation.

These students will be formally inducted at a joint ceremony with Adamsville HS in

November.

The NTHS was formed in 1984 to honor, recognize and empower students and teachers in Career-Technical Education.
